RE: Proposed Rule; Request for Comments  
Docket No. ITA-2010-0012; RIN 0625-AA81

Dear Mr. McGilvray:

Thank you for the opportunity to provide comments on the proposed FTZ Regulations published in the Federal Register on December 30, 2010. The proposed regulations were quite lengthy and we appreciate the extension granted which allowed us sufficient time fully examine the proposed changes.

The Port of Corpus Christi is the Grantee for Zone #122 in Corpus Christi, Texas, with 13 active subzones and 3 general purpose zone operators. As a member of the National Association of Foreign Trade Zones (NAFTZ), I have participated in various meetings and conference calls to discuss the proposed changes and I fully support the comments submitted by the NAFTZ.

I know the Board has worked hard and invested valuable time working to revise the regulations. I appreciate the opportunity to provide these comments.

Respectfully submitted,

Sonya Lopez-Sosa  
FTZ Manager
