To the International Trade Administration,

I am writing in response to the Federal Register notice dated August 13, 2010. One of our candles, item RT3127 (refer to image 1) which was in our May 20, 2010 scope ruling request, was not included in the determinations from the preliminary notice. Please kindly be reminded to issue a scope ruling for item RT3127 in the final determination.

If there be any further correspondence needed, please do not hesitate to contact me.

Yours Sincerely,

Joyce Zhang
