FROM: Christian Marsh 
Deputy Assistant Secretary
for Antidumping and Countervailing Duty Operations

SUBJECT: Decision Memorandum for Preliminary Results of Antidumping
Duty Administrative Review: Narrow Woven Ribbons with
Woven Selvedge from the People's Republic of China

Summary

In response to requests from interested parties, the Department of Commerce ("Department") is conducting an administrative review of the antidumping duty order on narrow woven ribbons with woven selvedge ("woven ribbons") from the People's Republic of China ("PRC") for the period of review ("POR") September 1, 2014 through August 31, 2015. This review covers one company.¹ The Department preliminarily finds that Yama Ribbons Co., Ltd., ("Yama Ribbons"), the only mandatory respondent in this administrative review, had no shipments during the POR.

If these preliminary results of review are adopted in our final results of review, we will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on all appropriate entries of subject merchandise during the POR. Interested parties are invited to comment on the preliminary results of review. We intend to issue the final results of this review no later than 120 days from the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act").

¹ See Initiation of Antidumping and Countervailing Duty Administrative Reviews, 80 FR 69193 (November 9, 2015) ("Initiation Notice"). The Department determined in the underlying investigation that merchandise produced and exported by Yama Ribbons is excluded from the antidumping duty order. See also Notice of Antidumping Duty Orders: Narrow Woven Ribbons With Woven Selvedge From Taiwan and the People's Republic of China: Antidumping Duty Orders, 75 FR 53632 (September 1, 2010), as amended in Narrow Woven Ribbons With Woven Selvedge From Taiwan and the People's Republic of China: Amended Antidumping Duty Orders, 75 FR 56982 (September 17, 2010) ("Order"). However, merchandise which Yama exports but did not produce remains subject to the antidumping duty order on narrow woven ribbons with woven selvedge.

Background

On September 17, 2010, the Department published in the *Federal Register* an amended antidumping duty order on woven ribbons from the PRC.² On September 1, 2015, the Department published in the *Federal Register* a notice of opportunity to request an administrative review of the Order.³ On September 30, 2015, Berwick Offray LLC, and its wholly-owned subsidiary Lion Ribbon Company, Inc., (“Petitioner”), timely requested a review of Yama Ribbons.⁴ On November 9, 2015, the Department initiated a review of this company.⁵

On November 16, 2015, the Department sent the antidumping duty questionnaire to Yama Ribbons.⁶ On November 23, 2015, Yama Ribbons submitted a letter to the Department, stating that it had no sales of subject merchandise to the United States during the POR.⁷ On December 7, 2015, Yama Ribbons submitted its section A questionnaire response repeating the same statement it made in its earlier submissions regarding no shipments of subject merchandise during the POR.⁸ On December 21, 2015 Yama Ribbons submitted both its section C and D responses in which it again repeated the same statement it made in its earlier submissions regarding no shipments of subject merchandise during the POR.⁹

On December 30, 2015, the Department sent a request to CBP to provide any information that it might have regarding any imports of subject merchandise from Yama Ribbons during the POR.¹⁰ The Department received no information from CBP that there were imports of Yama Ribbons’ subject merchandise during the POR.

Scope of the Order

The scope of the order covers narrow woven ribbons with woven selvedge, in any length, but with a width (measured at the narrowest span of the ribbon) less than or equal to 12 centimeters, composed of, in whole or in part, man-made fibers (whether artificial or synthetic, including but not limited to nylon, polyester, rayon, polypropylene, and polyethylene terephthalate), metal

The HTSUS statistical categories and subheadings are provided for convenience and customs purposes; however, the written description of the merchandise covered by the order is dispositive.

DISCUSSION OF THE METHODOLOGY

Preliminary Determination of No Shipments

Yama Ribbons submitted a timely-filed certification that it had no shipments of subject merchandise during the POR.¹¹ In addition, CBP did not provide any evidence that is contradictory to Yama Ribbons' claim of no shipments in response to our no shipment inquiry asking CBP for such information.¹²

Thus, given that Yama Ribbons certified that it made no shipments of subject merchandise to the United States during the POR and CBP information does not call this claim into question, we preliminarily determine that Yama Ribbons did not have any reviewable transactions during the POR. In addition, consistent with its refinement to its assessment practice in non-market economy cases, the Department finds that it is not appropriate to rescind the review with respect to Yama Ribbons in these circumstances but, rather, to complete the review with respect to Yama Ribbons and issue appropriate instructions to CBP based on the final results of the review.¹³

RECOMMENDATION

We recommend applying the above methodology for the preliminary results of review.
