General Comment

Firth Rixson Rings is manufacturing company that forges metal rings primarily for the aerospace industry. We are in the process of establishing the first of five zones. As such, we have a strong interest in the proposed changes to federal regulations as proposed by the Foreign Trade Zone Board.

After a careful review, we completely concur with the comments submitted by the National Association of Foreign-Trade Zones in a the May 4, 2011 letter addressed to Mr. Andrew McGilvray.
