for Antidumping Duty and Countervailing Duty Operations

SUBJECT: Decision Memorandum for the Preliminary Results of the
Antidumping Duty Administrative Review: Wooden Bedroom
Furniture from the People’s Republic of China

SUMMARY

In response to requests from interested parties, the Department of Commerce (Department) is
conducting an administrative review (AR) of the antidumping duty order on wooden bedroom
furniture (WBF) from the People’s Republic of China (PRC) for the period of review (POR)
January 1, 2016, through December 31, 2016. The AR covers 13 exporters of subject
merchandise, including one mandatory respondent, Decca Furniture Ltd. (Decca). The
Department preliminarily finds that four companies, including Decca, have not established their
entitlement to separate rate status, and therefore, they have been treated as part of the PRC-wide
entity. The Department also preliminarily determines that eight companies made no shipments
of subject merchandise during the POR. The Department also is rescinding the review for
Nanhai Jiantai Woodwork Co., Ltd., Fortune Glory Industrial, Ltd. (HK Ltd.) (collectively,
Fortune Glory), for whom all review requests have been withdrawn.

If these preliminary results are adopted in our final results of review, we will instruct U.S.
Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of
subject merchandise during the POR. Interested parties are invited to comment on these
preliminary results. Unless extended, we intend to issue final results no later than 120 days from
the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Tariff Act of 1930,
as amended (the Act).
Background

On January 4, 2005, the Department published in the Federal Register the antidumping duty order on wooden bedroom furniture from the PRC.1 On January 10, 2017, the Department notified interested parties of their opportunity to request an AR of orders, findings, or suspended investigations with anniversaries in January 2017, including the antidumping duty order on wooden bedroom furniture from the PRC.2 In January 2017, the American Furniture Manufacturers Committee for Legal Trade (AMFC) and Vaughan-Bassett Furniture Company, Inc. (collectively, the petitioners), and Kimball International, Inc., Kimball Furniture Group, Inc. and Kimball Hospitality Inc. (collectively, Kimball), domestic interested parties, as well as certain foreign exporters, requested that the Department conduct an administrative review of certain exporters covering the period January 1, 2016 through December 31, 2016.3 In total, the Department received review requests covering 80 companies or company groupings. On March 15, 2017, the Department published a notice initiating an antidumping duty AR of wooden bedroom furniture from the PRC covering 80 companies or company groupings for the period January 1, 2016 through December 31, 2016.4

In April and June 2017, petitioner, U.S. importers and PRC exporters withdrew numerous review requests in a timely manner, and Kimball withdrew all of its review requests.5 On August

---

2, 2017, the Department published a notice rescinding the review with respect to 67 companies for which all review requests had been withdrawn. On August 4, 2017, Tradewinds Furniture Ltd. and Fortune Glory Industrial Ltd. (H.K. Ltd.) (collectively, Fortune Glory) filed a letter requesting the Department rescind the administrative review with respect to ‘Nanhai Jiantai Woodwork Co., Ltd., Fortune Glory Industrial Ltd. (H.K. Ltd.)’ for whom all review requests had been withdrawn prior to the 90 day deadline. On August 29, 2017, the petitioners submitted comments for consideration in these Preliminary Results.

On June 22, 2017, the Department issued its antidumping duty questionnaire to Decca, the only company under review that filed a separate rate certification. Decca did not respond to the questionnaire.

Revisions to Harmonized Tariff Schedule Numbers in the Scope

In their August 29, 2017 comments, the petitioners noted that on August 24, 2016, CPB issued a ruling which became effective on October 23, 2016 in which it discontinued its longstanding practice of classifying wooden headboards, footboards, and side rails that have not been shipped together as a complete bed within Harmonized Tariff Schedule of the United States (HTSUS) subheading 9403.50. CBP announced that going forward, it would reclassify these items within HTSUS subheading 9403.90.70. In light of this determination, the petitioners requested that the Department modify the language of the scope of the Order to conform to the language of the CBP ruling and include wooden headboards for beds, wooden footboards for beds, wooden side rails for beds, and wooden canopies for beds under HTSUS subheading 9403.90.70. We have examined the petitioners’ request and the factual information they submitted in support of the request and preliminarily determined that it is appropriate to revise certain portions of the scope describing the applicable HTSUS numbers. Specifically, we noted in the scope that wooden headboards for beds, wooden footboards for beds, wooden side rails for beds, and wooden canopies for beds may be entered under subheadings 9403.90.7005 or 9403.90.7080 of the HTSUS rather than HTSUS 9403.50.9045.

We have examined the petitioners’ request and the factual information they submitted in support of the request and preliminarily determined that it is appropriate to revise certain portions of the scope describing the applicable HTSUS numbers. Specifically, we noted in the scope that wooden headboards for beds, wooden footboards for beds, wooden side rails for beds, and wooden canopies for beds may be entered under subheadings 9403.90.7005 or 9403.90.7080 of the HTSUS rather than HTSUS 9403.50.9045. The revised scope language below reflects those changes and will be effective as of the final results of this review, barring any changes to the scope language between the issuance of the preliminary and final results.

Scope of the Order

The product covered by the order is wooden bedroom furniture. Wooden bedroom furniture is generally, but not exclusively, designed, manufactured, and offered for sale in coordinated groups, or bedrooms, in which all of the individual pieces are of approximately the same style and approximately the same material and/or finish. The subject merchandise is made substantially of wood products, including both solid wood and also engineered wood products made from wood particles, fibers, or other wooden materials such as plywood, strand board, particle board, and fiberboard, with or without wood veneers, wood overlays, or laminates, with or without non-wood components or trim such as metal, marble, leather, glass, plastic, or other resins, and whether or not assembled, completed, or finished.

The subject merchandise includes the following items: (1) wooden beds such as loft beds, bunk beds, and other beds; (2) wooden headboards for beds (whether stand-alone or attached to side rails), wooden footboards for beds, wooden side rails for beds, and wooden canopies for beds; (3) night tables, night stands, dressers, commodes, bureaus, mule chests, gentlemen’s chests, bachelor’s chests, lingerie chests, wardrobes, vanities, chessers, chifforobes, and wardrobe-type cabinets; (4) dressers with framed glass mirrors that are attached to, incorporated in, sit on, or hang over the dresser; (5) chests-on-chests, highboys, lowboys, chests of drawers, chests, door chests, chiffoniers, hutches, and armoires; (6) desks, computer stands, filing cabinets, book cases, or writing tables that are attached to or incorporated in the subject merchandise; and (7) other bedroom furniture consistent with the above list.

22 As used herein, bentwood means solid wood made pliable. Bentwood is wood that is brought to a curved shape by bending it while made pliable with moist heat or other agency and then set by cooling or drying. See CBP’s Headquarters Ruling Letter 043859, dated May 17, 1976.

23 Any armoire, cabinet or other accent item for the purpose of storing jewelry, not to exceed 24 inches in width, 18 inches in depth, and 49 inches in height, including a minimum of 5 lined drawers lined with felt or felt-like material, at least one side door or one front door (whether or not the door is lined with felt or felt-like material), with necklace hangers, and a flip-top lid with inset mirror. See Issues and Decision Memorandum from Laurel LaCivita to Laurie Parkhill, Office Director, concerning “Jewelry Armories and Cheval Mirrors in the Antidumping Duty Investigation of Wooden Bedroom Furniture from the People’s Republic of China,” dated August 31, 2004. See also Wooden Bedroom Furniture From the People’s Republic of China: Final Changed Circumstances Review, and Determination To Revoke Order in Part, 71 FR 38621 (July 7, 2006).

24 Cheval mirrors are any framed, tiltable mirror with a height in excess of 50 inches that is mounted on a floor-standing, hinged base. Additionally, the scope of the order excludes combination cheval mirror/jewelry cabinets. The excluded merchandise is an integrated piece consisting of a cheval mirror, i.e., a framed tiltable mirror with a height in excess of 50 inches, mounted on a floor-standing, hinged base, the cheval mirror serving as a door to a cabinet back that is integral to the structure of the mirror and which constitutes a jewelry cabinet line with fabric, having necklace and bracelet hooks, mountings for rings and shelves, with or without a working lock and key to secure the contents of the jewelry cabinet back to the cheval mirror, and no drawers anywhere on the integrated piece. The fully assembled piece must be at least 50 inches in height, 14.5 inches in width, and 3 inches in depth. See Wooden Bedroom Furniture From the People’s Republic of China: Final Changed Circumstances Review and Determination To Revoke Order in Part, 72 FR 948 (January 9, 2007).

25 Metal furniture parts and unfinished furniture parts made of wood products (as defined above) that are not otherwise specifically named in this scope (i.e., wooden headboards for beds, wooden footboards for beds, wooden side rails for beds, and wooden canopies for beds) and that do not possess the essential character of wooden bedroom furniture in an unassembled, incomplete, or unfinished form.
dressing-mirror set; (13) upholstered beds; (26) (14) toy boxes; (27) (15) certain enclosable wall bed units; (28) (16) certain shoe cabinets; (29) and (17) certain bed bases.

Imports of subject merchandise are classified under subheadings 9403.50.9042 and 9403.50.9045 of the HTSUS as “wooden . . . beds” and under subheading 9403.50.9080 of the HTSUS as “other . . . wooden furniture of a kind used in the bedroom.” In addition, wooden headboards for beds, wooden footboards for beds, wooden side rails for beds, and wooden canopies for beds may be entered under subheadings 9403.90.7005 or 9403.90.7080 of the HTSUS. Subject merchandise may also be entered under subheadings 9403.50.9041, 9403.60.8081, 9403.20.0018, or 9403.90.8041. Further, framed glass mirrors may be entered under subheading 7009.92.1000 or 7009.92.5000 of the HTSUS as “glass mirrors . . . framed.” The order covers all wooden bedroom furniture meeting the above description, regardless of tariff classification. Although the HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of this proceeding is dispositive.

26 Upholstered beds that are completely upholstered, i.e., containing filling material and completely covered in sewn genuine leather, synthetic leather, or natural or synthetic decorative fabric. To be excluded, the entire bed (headboards, footboards, and side rails) must be upholstered except for bed feet, which may be of wood, metal, or any other material and which are no more than nine inches in height from the floor. See Wooden Bedroom Furniture from the People’s Republic of China: Final Results of Changed Circumstances Review and Determination to Revoke Order in Part, 72 FR 7013 (February 14, 2007).

27 To be excluded the toy box must: (1) be wider than it is tall; (2) have dimensions within 16 inches to 27 inches in height, 15 inches to 18 inches in depth, and 21 inches to 30 inches in width; (3) have a hinged lid that encompasses the entire top of the box; (4) not incorporate any doors or drawers; (5) have slow-closing safety hinges; (6) have air vents; (7) have no locking mechanism; and (8) comply with American Society for Testing and Materials (“ASTM”) standard F963-03. Toy boxes are boxes generally designed for the purpose of storing children’s items such as toys, books, and playthings. See Wooden Bedroom Furniture from the People’s Republic of China: Final Results of Changed Circumstances Review and Determination to Revoke Order in Part, 74 FR 8506 (February 25, 2009). Further, as determined in the scope ruling memorandum “Wooden Bedroom Furniture from the People’s Republic of China: Scope Ruling on a White Toy Box,” dated July 6, 2009, the dimensional ranges used to identify the toy boxes that are excluded from the wooden bedroom furniture order apply to the box itself rather than the lid.

28 Excluded from the scope are certain enclosable wall bed units, also referred to as murphy beds, which are composed of the following three major sections: (1) a metal wall frame, which attaches to the wall and uses coils or pistons to support the metal mattress frame; (2) a metal frame, which has euro slats for supporting a mattress and two legs that pivot; and (3) wood panels, which attach to the metal wall frame and/or the metal mattress frame to form a cabinet to enclose the wall bed when not in use. Excluded enclosable wall bed units are imported in ready-to-assemble format with all parts necessary for assembly. Enclosable wall bed units do not include a mattress. Wood panels of enclosable wall bed units, when imported separately, remain subject to the order.

29 Excluded from the scope are certain shoe cabinets 31.5-33.5 inches wide by 15.5-17.5 inches deep by 34.5-36.5 inches high. They are designed strictly to store shoes, which are intended to be aligned in rows perpendicular to the wall along which the cabinet is positioned. Shoe cabinets do not have drawers, rods, or other indicia for the storage of clothing other than shoes. The cabinets are not designed, manufactured, or offered for sale in coordinated groups or sets and are made substantially of wood, have two to four shelves inside them, and are covered by doors. The doors often have blinds that are designed to allow air circulation and release of bad odors. The doors themselves may be made of wood or glass. The depth of the shelves does not exceed 14 inches. Each shoe cabinet has doors, adjustable shelving, and ventilation holes.

30 Excluded from the scope are certain bed bases consisting of: 1) a wooden box frame, 2) three wooden cross beams and one perpendicular center wooden support beam, and 3) wooden slats over the beams. These bed bases are constructed without inner springs and/or coils and do not include a headboard, footboard, side rails, or mattress. The bed bases are imported unassembled.
DISCUSSION OF THE METHODOLOGY

Non-Market Economy Country Status

The Department considers the PRC to be a non-market economy (NME) country. In accordance with section 771(18)(C)(i) of the Act, any determination that a foreign country is an NME country shall remain in effect until revoked by the administering authority. None of the parties to this proceeding contested NME treatment for the PRC. Therefore, for the preliminary results of this review, we treated the PRC as an NME country and applied our current NME methodology in accordance with section 773(c) of the Act.

Separate Rates

In proceedings involving NME countries, the Department begins with a rebuttable presumption that all companies within the NME country are subject to government control and, thus, should be assigned a single weighted-average dumping margin. It is the Department’s policy to assign all exporters of merchandise subject to an administrative review involving an NME country this single rate unless an exporter can demonstrate that it is sufficiently independent so as to be entitled to a separate rate. In the *Initiation Notice*, we informed parties that all firms for which the review was initiated that wished to qualify for separate rate status must complete, as appropriate, either a separate rate application or certification. We also informed parties that exporters and producers who submit a separate-rate status application or certification and subsequently are selected as mandatory respondents, would no longer be eligible for separate rate status unless they responded to all parts of the questionnaire as mandatory respondents.

As noted above, although Decca filed a separate rate application and was selected as a mandatory respondent, it did not respond to the antidumping duty questionnaire. Because Decca failed to respond to the antidumping duty questionnaire, the record indicates that Decca ceased participating in this review. As such, it has not established its eligibility for separate rate status and is part of the PRC-wide entity. Moreover, the three companies listed below, for which this review was initiated, failed to provide separate rate applications or certifications. Hence, they have not established their eligibility for separate rate status and are part of the PRC-wide entity.

(1) Changshu HTC Import & Export Co., Ltd.
(2) Starwood Industries Ltd.

33 See *Initiation Notice*, at 13796.
34 Id. at 13797.
Because no party requested a review of the PRC-wide entity, the entity is not under review and the entity’s rate is not subject to change. Therefore, if our determination is unchanged in the final results of this review, these four companies’ entries will be liquidated at the rate previously established for the PRC-wide entity.

Preliminary Determination of No Shipments

Among the companies under review, eight companies or company groupings reported that they made no shipments of subject merchandise to the United States during the POR. These eight companies are: (1) Dongguan Sunrise Furniture Co., Taicang Sunrise Wood Industry, Co., Ltd., Shanghai Sunrise Furniture Co., Ltd., Fairmont Designs; (2) Dongguan Sunrise Furniture Co., Taicang Sunrise Wood Industry, Co., Ltd., Taicang Fairmont Designs Furniture Co., Ltd., Meizhou Sunrise Furniture Co., Ltd., Fairmont Designs; (3) Eurosa (Kunshan) Co., Ltd.; Eurosa Furniture Co., (PTE) Ltd.; (4) Golden Well International (HK) Limited; Zhangzhou Xym Furniture Product Co., Ltd.; (5) RiZhao Sanmu Woodworking Co., Ltd.; (6) Shenyang Shining Dongxing Furniture Co., Ltd.; (7) Woodworth Wooden Industries (Dong Guan) Co., Ltd.; and (8) Yeh Brothers World Trade Inc. To confirm these no shipment claims, the Department performed a CBP data query to determine whether there were any entries of subject merchandise during the POR from the companies listed above and issued a no-shipment inquiry to CBP requesting that it provide any information that contradicted the no-shipment claims of these companies. The Department’s CBP data query did not identify any entries of subject merchandise during the POR from the companies listed above. Moreover, CBP did not identify any entries of subject merchandise from these eight companies during the POR in response to our no shipment inquiry asking CBP for such information.

Given that the eight companies above certified that they made no shipments of subject merchandise to the United States during the POR and there is no information calling these claims

into question, we preliminarily determine that the companies identified above did not have any reviewable transactions during the POR. Consistent with the Department’s practice, it is not appropriate to rescind the review with respect to these companies but, rather, it is appropriate to complete the review with respect to these eight companies and issue instructions to CBP based on the final results of the review. 38

Partial Rescission

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation. As noted above, on August 2, 2017, the Department published a notice rescinding the review with respect to 67 companies for which all review requests had been withdrawn. 39 However, that notice failed to reflect the fact that the petitioners withdrew their request for a review of Fortune Glory before the 90-day deadline to withdraw review requests 40 and no other party requested a review of Fortune Glory. Accordingly, the Department is also rescinding this review, in part, with respect to Fortune Glory, in accordance with 19 CFR 351.213(d)(1).

CONCLUSION

We recommend applying the above methodology for these preliminary results.
