

NOTIFICATION OF LAWS AND REGULATIONS  
UNDER ARTICLE 18.5 OF THE AGREEMENT

EL SALVADOR

The following communication, dated 13 March 1995, has been received from the Permanent Mission of El Salvador, a Signatory of the Final Act eligible to become an original Member of the WTO.

---

This communication is made pursuant to Article 18.5 of the Agreement on Implementation of Article VI of the WTO General Agreement on Tariffs and Trade 1994, and also the agreement reached by the Informal Contact Group on Anti-Dumping, Subsidies and Safeguards approved by the Preparatory Committee for the World Trade Organization, concerning notifications that WTO Members are required to make about their anti-dumping laws and regulations.

The Government of El Salvador notifies the WTO Committee on Anti-Dumping Practices that, when the ratification of the WTO is published in the Official Gazette of El Salvador, the Agreement on Implementation of Article VI of the General Agreement on Tariffs and Trade 1994 will become national law in El Salvador. Similarly, it wishes to state that at the present time El Salvador applies the Central American Regulations on Unfair Business Practices and Safeguard Clause, which is being reviewed at the Central American level to adjust it, where appropriate, to the above-mentioned Agreement. Once the final version is available, a copy will be forwarded to the Secretariat for the information of WTO Members.
