Corrigendum

The following communication, dated 6 April 2001, has been received from the Permanent Mission of Jordan.

The following is a corrigendum to translation errors in the text of Article 19 of Regulation on Safeguards of National Production No. 55 of the year 2000, circulated in document G/SG/N/1/JOR/1 on 27 November 2000.

Article 19 of document G/SG/N/1/JOR/1 reads:

Such recommendation shall be reasoned and based on subjective evidence.

This article should be amended to read as follows:

"Subject to the provisions of Article (18) of this Regulation, the Competent Authority shall normally conclude investigation and issue its recommendation to the Minister, whether to accept a safeguard application or reject it, within 3 months from the date of initiation of investigation subject to extension for another 5 months in special circumstances foreseen by the Minister.
