Committee on Subsidies and Countervailing Measures

NOTIFICATION OF LAWS AND REGULATIONS
UNDER ARTICLE 32.6 OF THE AGREEMENT

KOREA

The following communication, dated 9 August 1995, has been received from the Permanent Mission of Korea.

With respect to the notification of the Korean laws and regulations under Article 32.6 of the Agreement on Subsidies and Countervailing Measures, which has been distributed as G/SCM/N/1/KOR/1 on 4 April 1995, I would like to correct some translation errors. Thus, the phrase "*in value exceeding the amount*" in line 5 of page 10 should be read as "*in value not less than the amount*" and the phrase "*an annual review*" in line 26 of page 12 should be read as "*an annual examination*".
